The mission of Habitat is to eliminate substandard housing in the world by working in partnership with people in need to build simple, decent, affordable housing. The houses are then sold to those in need at no profit and with no interest charged.

Lakes Region Habitat for Humanity is asking for your help in reaching our goals. Each year we have our Annual Walk-A-Thon in memory of Clem Cummings. It is the only fund-raiser that we have and we are asking for your support.
